CURRENT PROJECTS

- May 2021 **Jenni House Residency** - *Whitehorse YT*
Developing the script for a long-form graphic novel project, “Makalu”. Hosting a couple of outreach events: an in-person comic jam, and an online presentation.
- Since Jan 2020 **“Makalu”** (*work in progress*)
A self-directed, ~150 pages graphic novel project, based on the true story of a great-uncle geologist who was part of the first mountaineering expedition to Makalu, in the Himalaya mountain range, in 1954.

COMICS

- May 2021 **“Breakup”** (*published by Hecate Press*)
A 4-pages contribution published in the Northern Gaze, a comics anthology project curated and edited by Kimberly Edgar. Selected along with eight other comic artists from the Yukon, NWT and Nunavut. Designed with ink and watercolors on paper.
- Sept 2020 **“Makalu teaser”** (*unpublished*)
An 8-pages comic laying out the context and characters for a long form work-in-progress graphic novel. Designed with black India ink on paper.
- June 2020 **“The Dive”** (*published on artist website*)
A self-directed 3 pages comic inspired from a dream. Designed with black and colored inks on paper.
- Dec 2017 **“The Dome”** (*published on artist website*)
A 6-pages comic created as part of a graphic novel class at Emily Carr University. Designed with black India ink on paper.
